EDUCATION

Bachelor of Science in Informatics | University of Washington - Seattle, WA   Jun 2024c
Focus Areas: Software Engineering & Data Science
Coursework: Data Structures & Algorithms, Client-Side Web Development, Database Management, Data Science Methods

TECHNICAL SKILLS

Languages/Frameworks: Java, Python, SQL, R, Tableau, JS, HTML, CSS, React, Pandas, NumPy, Dplyr, Shiny
Developer Tools: Git, Jupyter Notebook, RStudio, Firebase

TECHNICAL PROJECTS

DietBuddy (JavaScript, HTML, CSS, React)
• Developed a full-stack web app that allows users to calculate and track BMI, count calories, and create a diet plan
• Utilized Firebase Database to securely store user data, ensuring data integrity and privacy

To-Do List Manager (Java)
• Developed a program enabling addition, modification, and saving of tasks to a to-do list
• Implemented robust file I/O operations for data storage, enhancing user experience and task management

Occupational Forecast (R)
• Led a comprehensive research project analyzing the correlation between automation risk and various occupations
• Compiled and analyzed data to identify occupations at high risk of automation, as well as those with high job security

EXPERIENCE

Certified Pharmacy Tech | Walgreens – Seattle, WA   Jan 2021 – Present
   • Demonstrate exceptional attention to detail by accurately filling 50-200 prescription orders daily
   • Provide outstanding patient care by attending to the needs of over 100 individuals daily, including receiving
     prescriptions, processing insurance claims, and managing payments, fostering strong customer relationships
   • Uphold strict patient confidentiality and adhere to legal requirements by maintaining a high level of
     professionalism and consistently implementing company policies, prioritizing patient privacy and trust

Sales Associate | DSW – Seattle, WA   Nov 2018 – Jan 2021
   • Delivered exceptional customer service by addressing inquiries and resolving concerns regarding products,
     resulting in the growth of a loyal return-customer base, driving sales and customer satisfaction
   • Showcased strong communication and interpersonal skills through effective collaboration as part of a team to
     achieve organizational goals
